

Colberg Cup - West Coast IPA Homebrew Competition

We're excited to announce the Trellis Brewing West Coast IPA Homebrew Competition! Calling all homebrewers—now's your chance to showcase your brewing skills and have your recipe featured and brewed at Trellis Brewing!

A West Coast IPA is a hop-forward beer with bold pine, resin, and citrus flavors. It has a clean, dry malt profile, medium to light body, and a pronounced bitterness, giving it a crisp, refreshing finish.

How it works:

- Brew your best West Coast IPA and enter it into our competition.
- Our in-house and guest judges will taste and score each beer based on balance, flavor, aroma, and overall quality.
- The winning beer will be brewed on Trellis Brewing's system, and we'll give your recipe the spotlight it deserves!

Prizes:

The winner will brew their West Coast IPA at Trellis, have it served on tap and canned. You will also have input and design ideas on the can label!
